Thank you for choosing our practice for your Skin Care Needs!

Please bring the following for your appointment:

1. Completed paperwork
2. Insurance Cards
3. Photo identification (driver's license, passport, government id)
4. Pharmacy Phone Number
5. Medication list including prescription and over-the-counter medications.
****Please include dosage and frequency of medications****
6. Any pertinent office notes, lab results and pathology reports.

Your first visit is scheduled as an evaluation. Procedures on your first visit are performed **only** if time allows. Often patients put off their skin care needs and try to get everything “checked” the same day. If time allows, we will gladly accommodate two problems per visit.

We kindly request a 24 hour business day notice to cancel or change an appointment.

Thank you for allowing us to participate in your care.
